

Patty Wagstaff autographed items to be awarded during January web-cast.  
Random prize drawings to occur every 10 minutes during January 15 event.

(San Luis Obispo, CA) - FlightAdventures, a premium aviation/flight simulation service, announced today that U.S. Aerobatic Champion and internationally acclaimed airshow performer Patty Wagstaff will help conduct random prize drawings every 10 minutes during her web-cast at the company's web site, [www.FlightAdventures.com](http://www.FlightAdventures.com). Prizes awarded during the event will include autographed T-shirts, Patty's autobiography "*Fire and Air, a Life on the Edge*", David Chong's "*Microsoft Flight Simulator 2002: Official Strategies and Secrets*", copies of *Microsoft Flight Simulator 2002*, and more!

The web-cast will be held on January 15th, 2002 starting at 10 pm Eastern (7 pm Pacific). Ms Wagstaff will be hosted by FlightAdventures' President Ben Chiu and will answer questions posted by online visitors to the company's Virtual Pilot Center™ (VPC).

**Wagstaff web-cast is inaugural event for the Virtual Pilot Center™**

The Wagstaff web-cast is the inaugural event for the Virtual Pilot Center™ (VPC), the Internet's only interactive pilot center. Patty Wagstaff, known to millions of aviation enthusiasts worldwide, is enthusiastic in her support of the FlightAdventures VPC. "This is an exciting innovation for pilots everywhere" she says. "The VPC is the only site that brings simulator and real-world pilots together. The results are better pilots. I'm thrilled to help introduce this web site to the world."

Ms Wagstaff is a longtime friend of Ben Chiu, internationally published author of multiple Microsoft Flight Simulator© User Manuals, former host of MSN's Flight Simulator online forum, a Certified Flight Instructor (CFI) and FAA Aviation Safety Counselor. "Patty's incredible accomplishments are well-known. I am very happy she has agreed to help me introduce the VPC to pilots everywhere."

FlightAdventures is a subsidiary of FlightVentures, Inc., a CA corporation formed to bring flight simulation to life. The company exists to provide the highest level of flight simulation experience so real world flight skills can benefit. FlightAdventures operates the Virtual Pilot Center™ (VPC) which provides a host of aviation-related services to both simulator and real-world aviators.
